New homes at Darwin Green 2/3, Cambridge

An outline planning application is being prepared for Darwin Green 2/3. This will establish the principles of development and will be followed by a series of detailed reserved matters applications in due course.

Plans include approximately 1,000 new homes, 40% of the homes will be designated as affordable (subject to planning consent), a new secondary school, public open space including a new country park and community centre.

We welcome your feedback and it will be incorporated into the final plans wherever possible, before the outline planning application is submitted in early 2020. We will continue to keep local residents updated as the application progresses.

Please fill out this feedback form and leave it with us or simply return it to FREEPOST MPC CONSULTATION
